

Mai sunt 2 zile pina la Summitul G8!

Cu aceasta ocazie este lansat blogul,, **The "Women talk to the G8"** care include si punctul de vedere al presedintei Asociatiei Femeilor din Romania , Liliana PAGU .

Mai jos aveti o invitatie din partea d-nei Jessica Reed ,reprezentanta organizatiei OPEN DEMOCRACY care a produs acest blog !

The "Women talk to the G8" blog has been amazing so far: we published fascinating entries from 5 different continents. It has been a wonderful experience so far (even if it is not the end yet!), enjoyed by both our openDemocracy team and our readers. Patricia Daniel (openDemocracy's gender issues columnist) has gathered and summarised your thoughts and recommendations in an open letter to the G8. This letter will be sent to the media, G8 leaders, ambassadors and representatives today..

You can view it on the blog <http://opensummit.opendemocracy.net>, or on the openDemocracy website: http://www.opendemocracy.net/democracy-fifty/g8_letter_4661.jsp#

Please circulate it to as many contacts as you can! And please feel free to comment or send any feedback - on the blog itself, or by e-mailing me. We still accept contributions to the blog (it runs up until June the 7th), so keep on visiting the blog as we publish more entries. If you still haven't submitted yours, you can still send it my way now.

It has been an honour working with you all to make this happen.

Best regards,

Jessica Reed
